

HADI REZAEI SIBONI

3D ANIMATOR | MOTION DESIGNER
VIDEO EDITOR | WEB DESIGNER

PROFESSIONAL SUMMARY

I specialize in character animation, motion design, and character rigging, with expertise in Blender, After Effects, Adobe Premiere, DaVinci Resolve, and Camtasia Studio. With over ten years of experience in visual storytelling, I create engaging animations and high-quality video productions.

In addition to animation and video editing, I have extensive experience in web design, SEO, and digital platform optimization to maximize online visibility. Furthermore, I am the founder and producer of Yadio.FM, where I create podcasts using Adobe Audition and iZotope RX for professional audio production.

I enjoy collaborating with creative teams on ambitious, high-quality projects and am excited about new challenges.
